**Support Staff Dress Code**

Wherever classified employees are performing duties for the District they will appear in appropriate dress and footwear. Clothing should be clean and not be revealing or distracting, immodest or sexually suggestive, condoning violence or suicide, or suggestive of drug/alcohol/tobacco use.

It is the expectation of classified staff to use good judgment in their choice of appearance for work by always appearing in a manner that:

- is appropriate for job or duties.
- invokes a positive impression from the community.
- provides appropriate role modeling for students.
- promotes a working and learning environment that is free from unnecessary disruption and
- is conducive to high student and staff performance.
