

**LONG TERM DISABILITY (LTD)  
CERTIFIED EMPLOYEES**

The Long Term Disability Insurance Plan (LTD) is part of the cumulative program of benefits offered by Sweetwater County School District Number One to provide for the health and welfare of certified employees of the District. This benefit is provided to all eligible employees who qualify for long-term disability income protection benefits under the then current plan documents.

The long-term disability income protection benefits are paid to eligible certified employees who become disabled while actively employed with Sweetwater County School District Number One.
