The Board of Education is committed to the concept of equal opportunities for all employees.

The rights and safety of all people are to be preserved. All employees are entitled to receive employment opportunities without regard to age, gender, national origin, race, color, creed, or disability. Equal employment is a fundamental civil right of all employees and is addressed by state and federal laws. The rights and safety of all people are to be preserved.

Adopted 04/27/87
