DETERMINING REASONABLE SUSPICION

If you are able to document one or more of the indicators above, ask yourself these questions to establish reasonable suspicion:

Y  N
[ ] [ ] Has some form of impairment been shown in the employee's appearance, actions or work performance?

[ ] [ ] Does this impairment result from the possible use of drugs or alcohol?

[ ] [ ] Are the facts reliable? Did you witness the situation personally, or are you sure that the witness(es) are reliable and have provided firsthand information?
