

ENTRANCE AGE

Wyoming State law mandates that a student must be five years of age by September 15 to attend kindergarten and six years old by September 15 to attend first grade. Students enrolling in Sweetwater County School District Number One for kindergarten or first grade classes must have their birth date verified by presenting a certified birth certificate at the time of registration. Hospital certificates will not be accepted and no exceptions will be made. Exceptions to this requirement may be made by the Human Resource Director in cases where parents have made an attempt to secure a birth certificate, but were unable to do so by circumstances beyond their control.
