

**RELEASED TIME FOR RELIGIOUS INSTRUCTION**

The Board will cooperate with religious institutions in the district by permitting students to attend off-campus religious classes.

The following regulations shall govern the released time program:

1. The school will grant released time to students in grades 9 through 12.
2. The school will decide during what periods released time will be allowed.
3. The school may set up a system of registration for attending religious classes, but no advertising or recruiting shall be done by the school.
4. No credit will be given by the school for classes attended nor will any grades appear on report cards.
5. The religious institutions will be responsible for providing facilities, equipment, staff, and the total cost of their program.
6. The school will provide class lists of students to released time instructors.
7. Religious institutions wishing to have students participate in the released time program must contact the building principal for arrangements.
8. All religious classes must be held off school premises.
