

## **STUDENT DISMISSAL PRECAUTIONS**

The school district being legally responsible for the safety of children during the school day, shall set up procedures to validate requests for early dismissal. This will assure that children are released only for proper reasons and into proper hands.

Parents who wish to prohibit other adults from picking up their child from school will be required to make such a request in writing and to produce a document which substantiates such a request. Documents such as a divorce decree or a court order will be honored.
