

Notice of Naming Rights

The Board of Trustees of Sweetwater County School District Number One (“District”) chooses to recognize significant financial contributions to the District by identifying or naming certain facilities, portions of facilities, activities, or academic positions with the names of individuals or commercial entities when such recognition is consistent with the mission and goals of the District. This Policy does not apply to naming rights in the “Purchase A Brick” program or other similar programs where donor’s purchase commemorative bricks, plaques, or other markers.

It is the belief of the District that its mission and goals will be secured by developing financial resources that will provide long-term stability. To meet this end, the Sweetwater One Public School Foundation (“Foundation”) will establish, promote, and manage endowment funds whereby the principal is held in perpetuity for investment and the interest earned on the principal is spent as directed by the donor.

It is the policy of the Foundation, that contributions received in connection with naming rights will be considered restricted by the donor to any new or existing permanent endowment of the Foundation.

Consent to Endowment Restriction

In exchange for certain naming rights, I have agreed to make a donation in any amount of [\$00,000.00]. It is my intent that this donation be permanently restricted to any permanent endowment fund of the Foundation.
