

ELEMENTARY SCHOOL RATIOS

STUDENT / TEACHER

Grades K - 3	-	16 - 23 per teacher
Grades 4 - 6	-	maximum of 27 per teacher

Paraprofessional Time Guidelines

K – 4 Two unit Buildings – 20 hours per day

K – 4 Three unit Buildings - 30 hours per day

K – 4 Four unit Buildings – 40 hours per day

K – 4 Five unit Buildings – 50 hours per day

5 – 6 Buildings - 2 hours per classroom per day

Outlying elementary school building principals will make recommendations to the Director of Human Resources concerning paraprofessional time. The Director of Human Resources shall consider the number of students and classroom units in these outlying elementary schools using 2 hours per classroom per day allotment as a guide.

An increase or decrease of a single classroom unit will be prorated using the 2 hours per classroom per day allotment of paraprofessional time. Final hours will be determined by the Superintendent/designee.
