

## **CLASS SIZE**

The Board directs the superintendent to work with administrative staff in establishing a reasonable and equitable class enrollment for each teacher.

In order to avoid duplication of classes in which there is low enrollment, the minimum class size shall be 10 pupils, with the exception of kindergarten and special education classes. Classes with fewer than 10 pupils will require written notification with Justification to the superintendent. A decision should be made as early as possible as to whether or not a class will be offered.
