

## **VISION AND HEARING SCREENINGS**

Vision and hearing screenings are conducted annually by the school nurse on students in grades k, 2, 4, 6, 8, and 10. New students entering the District K-12 during the school year will be screened upon enrollment during the year. Individual vision and hearing screenings may be performed by the school nurse upon request of school personnel or a legal parent/guardian. Referrals for further testing are made by the school nurse when indicated by screening results.
